NOTE FOR: The Director

FROM: Dave Gries

STAT

SUBJECT: Appointment with Representative Richard Ray (D., GA)

Mr. Ray asked to meet you last August. You agreed to a courtesy call, but Mr. Ray cancelled because of a vote. We have rescheduled for 2:30 p.m. on Friday, 2 October.

I am enclosing material I had prepared for you in anticipation of the August appointment. Everything in it still holds except the dates and times. Mr. Ray is important to the Administration in terms of congressional support for the Contras. From your perspective, it never hurts to have a respected Member of Congress saying that he knows you personally. Mr. Ray remains close to Senator Nunn, whose Administrative Assistant he used to be.
